'TWO LEGGED'

When it comes to LooNurGooSe, you can always count on discovering the unexpected. Chad Hamlin (the creator of LooNurGooSe) shines a light on the human species as simply being the 'Two Legged', with an invitation for us all, to walk together.

The 'Two Legged' recording project was inspired by one of my College Professors at Chemeketa Community College. Dr. Leo, thank you for teaching me that, "You are my other self. If I hurt you, I hurt myself. If I love, and respect you, I love and respect myself."

Dr. Leo, you're a one of a kind. You inspired my muse, and for that; I thank you.
